Hi Ms. Rios,

First of all, thank you for your timely response.

However, I'm afraid you've misconstrued both the law and my request. As I stated, "I would like to take a look at" these emails. Perhaps you're not aware that the CPRA requires New Los Angeles to allow me to inspect, i.e. "take a look at," records at no charge.

Furthermore, the CPRA allows New Los Angeles to charge only the direct cost of duplication in exchange for providing copies. As emails are electronic records the direct cost of duplicating them is \$0.00.

Thus I implore you, in order to, you know, avoid unnecessary, expensive, time-consuming, irritating, and anxiogenic litigation, to reconsider your ill-taken and ultimately unsupportable position that I will have to pay New Los Angeles anything before looking at these records.

Here are the choices available to you:

1. Provide me with copies of the electronic files at no charge as is required by the law

OR

2. Allow me to come in to the office and look at these records and make copies of them with my own equipment at no charge, as is also required by the law.

Thanks again for rethinking your position on this, Ms. Rios.

If I don't hear back from you by COB on Friday, February 8, I will assume that you have declined my imploration to reconsider and I will take further action based on this assumption.

Please tell me your office hours and, per the CPRA at section 6253(a) I will be there then.

Also, can you please tell me the distance from the inspection area to the nearest outlet so that I can make sure I have an extension cord sufficiently long to allow me to plug in my scanner?

Our office hours are 7:30 pm-4:30 pm. We would request that you provide us with at least 24 hours notice as to the date and time when you plan to be at the site, so that we can attempt to identify a location on the site where you can inspect the documents. Space is tight, so I am unable to confirm where you will be inspecting documents without a date and time.

The documents will be at New LA Middle School ([1919 S Burnside Ave.](#)) Please be advised that you will need to adhere to our school's visitor policy and provide identification. I would advise coming prepared with the necessary equipment.
